Tayla is a Senior Associate in our Wills and Estates team.

Tayla completed her studies at Deakin University and graduated with Bachelor of Laws (Honours) and was admitted into practice in July 2017.

Tayla commenced her career in Warrnambool working in general commercial and property law before relocating to Geelong in 2018 where she has practiced exclusively in wills and estates. She has assisted clients with their estate planning, from simple Wills to more complex succession planning as well as the administration of deceased estates following the loss of a loved one. Tayla understands the peace of mind brought by knowing your affairs are in order and works closely with her clients to ensure their objectives are achieved in a timely yet professional manner.

When not at work, Tayla enjoys cooking, travelling and spending time with her family and friends.
